

Pacheriya Digital™

COMPANY PROFILE

AI, websites, apps and ERP for growing businesses

On-site across Rajasthan & Haryana · Online support anywhere in India

What we do

Practical technology that pays for itself, set up in days, not months

1

WhatsApp AI receptionist

Answers fees, prices and timings 24x7 and saves every enquiry as a lead.

2

Websites & Google

Mobile websites, Google Business Profile and WhatsApp ordering.

3

Order, stock & credit apps

Orders, low-stock alerts and udhaar on the phone, data in your Google Sheet.

4

Factory IT & ERP

SAP Business One consulting, automation and IT care (AMC).

Who we work with

Shops & kirana

Orders on WhatsApp, stock and credit tracking

Schools & coaching

Admission enquiries, attendance, parent notices

Clinics & hospitals

Appointments, OPD timings, patient registers

Hotels & dhabas

Google Maps visibility, menu catalogue, bookings

Factories & MSMEs

ERP, quotations, inventory, IT and CCTV care

Why customers choose us

30

day free trial

Count real enquiries first,
then decide.

7

days to set up

Most projects are live
within a week.

5+

years in IT & ERP

Real factory and SAP
Business One experience.

0

lock-in

Your data lives in your own
Google account.

How a project runs

From first meeting to a working system

After go-live: the Customer Hub

Every customer gets a private login on pacheriya.com

100+ lessons

Short videos and PDF guides for the exact products you use.

Ready templates

Word and Excel templates: checklists, registers, ERP masters.

Tickets & AMC

Raise tickets, see your plan and renewal date.
